YHHI-1200

(INTERVIEWER READ TO R:) You will recall that you did an interview with us last year, and I appreciate your willingness to take time to talk to me this year as well. Your cooperation and careful answers to the questions I have are important because your answers and those of thousands of other young men and women are used by advisors and policy makers in writing laws, spending tax money, and developing and changing many programs to help adolescents and adults. We really do appreciate your help by answering these questions.
